D-3

10. Consideration of acceptance of the following Channel Easement and Right-of-Way grant:
 - (a) Channel easement from Ed Pennington of Pennington Improvement Company, Inc. in connection with a building permit for Atkinson's apartments on East Aeronica.
 - (b) Right-of-way grant from J. W. and Vivian Jefferson of 1810 South Douglas Boulevard in connection with P.C. 813.

11. Discussion and consideration of Resolutions of Necessity for the acquisition of five (5) rights-of-way needed for Sooner Road widening project from I-40 to Reno Avenue.

Those voting aye on the above motion were: Andrews, Tulloh, Syfert, Bye, Brown, Ballew and the Mayor. Nay: none. Absent: none. Motion carried.

(PC-808) Council considered approval of the final plat and acceptance of dedication for the Final Plat of High Meadows Estates, described as a part of the Northwest Quarter of Section 9, Township 11 North, Range 1 West, located in the 12200 block of S. E. 15th Street. Guy Henson, Development Services Director, discussed this item with the Council. Motion was made by Andrews, seconded by Brown, to approve and accept dedication for the final plat of High Meadows Estates. Voting aye: Andrews, Tulloh, Syfert, Bye, Brown, Ballew and the Mayor. Nay: none. Absent: none. Motion carried.

Council considered a Change Order to the "Modifications to the East Outfall Line" contract to include repairs to the 18-inch line at Soldier Creek. Dave Farrington, City Engineer, discussed this item with the Council. After discussion among members of the Council, motion was made by Brown, seconded by Andrews, to approve the Change Order. Voting aye: Andrews, Tulloh, Syfert, Bye, Brown, Ballew and the Mayor. Nay: none. Absent: none. Motion carried.

Council considered the reviewing of sidewalk requirements within the City of Midwest City. Upon the recommendation of Mayor Herbert, motion was made by Bye, seconded by Andrews, to ask the City Manager to contact Mr. Kent Bizzell, Chairman of the Planning Commission, and ask him to appoint two (2) members to a study group to work with two (2) members of the Builders Advisory Board, and with Councilman Brown and Councilman Ballew to review the sidewalk requirements and report back to the Council at the earliest possible time. Voting aye: Andrews, Tulloh, Syfert, Bye, Brown, Ballew and the Mayor. Nay: none. Absent: none. Motion carried.
