Due to issues related to COVID-19, we had to temporarily suspend the curbside bulk waste collection. Although we originally planned to suspend the program until June 22, we are working diligently to reopen services — including restarting the bulk collection program with the pick-up scheduled to start with Zone 7 on May 11. The map and calendar are on our website - midwestcityok.org - on the quarterly bulk waste collection page. (You can search for “quarterly bulk waste collection.”) Please don’t place bulk items at your curb until the appropriate date on the bulk waste calendar. Below are some other options for disposing of bulky items.

We appreciate your understanding of the steps taken to protect our employees from the virus and to maintain our regular residential trash collection schedule with the 40% volume increase we’ve experienced. Thank you!

**EAST OAK LANDFILL**

- East Oak Landfill is located at 3201 Mosley Road in Oklahoma City.
- Midwest City residents can dispose of trash and debris at the landfill at a discounted rate.*
- The rate depends on the size of your load.
  - A car or pick-up is charged $25 per load.
  - A vehicle with a trailer (maximum of 16 feet) is charged $50 per load.
- Be sure to take a copy of a current Midwest City utility bill and a driver’s license that matches the information on the bill.
- You will be asked to drive to the top of the landfill, also referred to as the “working face” where you will be allowed to unload.
- Non-hazardous residential solid waste, organic waste, and construction or demolition debris is accepted. (NOTE: The HHW facility reopened on May 1st.)
- Any questions about what can be accepted at the landfill can be directed to East Oak Landfill at 427-1112.

*The regular rate is $80 per load so the discount for Midwest City residents is significant.

---

**SPECIAL BULK COLLECTION**

- Special bulk collections are being scheduled as staff levels permit.
- For information or to schedule a collection, contact Public Works at 739-1066.
- The fee for special pick-ups is $55 per 1/2 (minimum charge of $55).
- Brush should be no larger than 8 feet long and 20 inches in diameter.
- Brush and large household items are accepted such as chairs, tables, buffets, beds, dressers, box springs/mattresses, lamps, cribs, and rollled carpet.

---

**COMPOST FACILITY**

- The MWC Compost Facility is located at 7420 NE 36th Street.
- The facility accepts yard waste material such as grass clippings, leaves, green waste, brush and woody materials.
- The length of woody material should be no larger than 8 feet long and 20 inches in diameter.
- The facility is not able to accept plastic bags but you can place your grass, leaves and green waste in paper bags.
- Bring your most recent MWC utility bill and your current driver’s license as proof of residency.
